REQUEST FOR REFUND

Sir:

An Office Action for the subject patent application dated April 27, 2005 indicated a three-month period of response which was set to expire on July 27, 2005. On July 25, 2005 a response to the outstanding Office Action was filed without a signed certificate of mailing. However, the Patent Application Information Retrieval database indicates that the U.S. Patent and Trademark Office received the response on July 27, 2005. Erroneously, deposit account no. 18-1167 was charged \$420.00 for a two month extension of time fee. Therefore, please refund \$420.00 to the Coats & Bennett, PLLC Deposit Account No. 18-1167.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.

RESPONSE TO NON-FINAL OFFICE ACTION DATED APRIL 27, 2005

Dear Sir:

In the above-dated Office Action, the examiner imposed a restriction requirement on the instant application, based on identifying two claim groupings: Group I, including claims 1-42; and Group II, including claims 43-57. In response, Applicant elects the claims of Group I. While no fees should be required for entry of this election, any fees that are required may be charged to Deposit Account 18-1167.
